SUPPLEMENTAL RESPONSE

Sir:

This supplements the Response filed May 21, 2010.

In the Advisory Action dated June 21, 2010, it was noted that the Terminal Disclaimer was defective because the filing date of Application 10/599,075 was wrong. The '075 application has now issued as U.S. Patent No. 7,674,045, issued March 9, 2010. Enclosed is a Terminal Disclaimer for the '045 patent.
